FOR IMMEDIATE RELEASE

EPS SECURITY ADDS TRIO OF INDUSTRY AWARDS TO GROWING LIST OF 2011 ACCOMPLISHMENTS

GRAND RAPIDS, Mich., Dec. 20, 2011— Leading West Michigan security provider, EPS Security (EPS), has been honored with three top awards from Honeywell (NYSE:HON), the world's largest fire and burglary hardware manufacturer, at the recent 2011 First Alert Convention in Scottsdale, Ariz.

EPS was recognized with a 2011 *Circle of Excellence* award in recognition of contributions the company has made to the First Alert Professionals program and its remarkable level of service to the community. In addition, EPS was recognized for celebrating its 20th year as a First Alert dealer.

Finally, Notifier, a Honeywell Company, and the leading commercial fire alarm, life safety and mass notification systems, awarded EPS with a 2011 *Diamond Distributor Award of Excellence* in recognition of sales and service benchmarks reached this past year.

This is the second consecutive year EPS has earned national awards from Honeywell's First Alert and Notifier divisions.

"We are proud of our team and the remarkable track record of sales and service they have established," said Kevin Carlson, president of EPS Security. "These awards are a testament to their commitment and drive to do more than what's required, and I'm equally humbled and motivated by this effort."

EPS is a top 30 residential and commercial security company nationwide, yet it remains focused on the West Michigan communities it serves.

About Engineered Protection Systems (EPS Security)

Grand Rapids, Mich.-based Engineered Protection Systems (EPS Security) is a nationwide leader in security systems services. The Company currently ranks among the top 30 largest security companies in the U.S., and it is one of just seven security firms in the country to operate a central station facility that is UL-listed, FM-approved and certified by the Central Station Alarm Association as "Five Diamond" qualified. EPS provides burglar alarms, fire alarms, card access systems, video surveillance and integrated systems to nearly 17,000 commercial and residential clients in Michigan, Wisconsin, Illinois, Indiana, Ohio and Kentucky.
